Dear runner,

Thank you for registering to take part in this year's 11th Wigan 10k. As part of our ongoing attempts to move towards a paperless event, we have created a Digital Event Guide to download. This Digital Racepack includes:

- A map of both race routes, Wigan 10k & Wigan Family Mile (these may be subject to slight change before the race)
- Instructions on how to attach your individual timing chip
- A map detailing car parking. There is also ample on-street parking available.
- Information from our organising charity <https://joiningjack.org/>
- Information from our principal sponsor HW Moon Toyota Wigan

You will receive your official Racepack including your Runner Number, timing chip, a copy of the route and a bag label in the post from August 15th.

Please remember to bring your timing chip, runner number (with the information on the back filled in) and bag label with you to the event, along with safety pins to fasten your number to your front.

As long as you have your Runner Number and timing chip, you do not have to sign in anywhere – you can just turn up, follow the signs to the start line and get ready to run!NB/ If you sign up after 9am on Tuesday, August 29th you will need to pick up your racepack from the Joining Jack Information Desk in the bandstand area of Mesnes Park, open from 8am.

Due to the continuing building works taking place in the town centre, this year's races will once again start and finish at in **MESNES PARK** at the following times:

Wigan 10k 10am
Wigan Family Mile 12.30pm

A special bag drop area will be available at the Bandstand Area in the Mesnes Park for all runners to leave their belongings if they wish to do so.

Please encourage your family and friends to come along to cheer you on and soak up the unique atmosphere of the Wigan 10k. We will have a range of food and drink outlets available in the Bandstand Area of the park selling a range of refreshments.

All runners will receive a finishers' bag with lots of goodies and the always brilliant 10k bling – it's a special one this year celebrating the star awarded to our organising charity Joining Jack on the Wigan Walk of Fame.

11 years of the Wigan 10k and Joining Jack

We are absolutely thrilled to be bringing you the 11th Wigan 10k in conjunction with our organising charity Joining Jack.

It's incredible to think how far we have come since that inaugural event when runners lined up on the start line on Market Street back in 2013.

We have seen our numbers grow since that first event with a record 3,610 in 2016, to almost 800 runners taking part in our 8th event the Virtual Wigan 10k of 2020 during the pandemic.

We are hugely proud to be the original flagship fundraising event for Joining Jack and delighted to be celebrating 11 years alongside Team JJ. Here's a look back at the Wigan 10k over the past 11 years.

2013 saw Tour de France champion Bradley Wiggins as official Race Starter set off some rather familiar faces in the shape of Mayor of Greater Manchester Andy Burnham and Wigan MP Lisa Nandy

2014 the year of the Fancy Dress and a very special shout out to Runner No 120 taking on the tough 10k route dressed as Cookie Monster and making most of our pre and post-race photographs

2015 A double winner as Thomas Carson, Horwich RMI Harriers returns to defend the title he won in 2014, while Lauren Howarth, Leigh Harriers was fastest female and a magnificent 7th fastest overall

2016 A record 3,610 runners lining up on Market Street, and our BIGGEST EVER live line-up with our lovely friend James Walsh, frontman with Starsailor headlining on the main stage

2017 The inaugural Wigan 10k Family Mile and around 500 runners taking part – some without taking a breath, also the first year main man Jack was our Official Starter with his infamous Race Countdown

2018 No records this year so we're dedicating 2018 to our awesome JJ Army – more than 50 volunteers who make our event possible and what it is on the day and who we couldn't do without!

2019 The Year of the Record Breakers the fast feet of Philip Robertson, Sale Harriers, 30mins 44secs, and Eleanor Whyman-Davis, Newquay Road Runners, 34mins 44secs claiming new Race Records

2020 Our FIRST EVER Virtual Wigan 10k, in the midst of the global pandemic. A fantastic show of support from our event supporters completing 10k on either the official route or a 10k of their choice

2021 The Wigan 10k returns with an awesome new sponsor – our amazing friends at HW Moon Toyota Wigan doubling up as Title Sponsors of both the 10k and Run Wigan Festival

2022 The Wigan 10k moves to a brand new home over at Mesnes Park and a new chapter for runners, transforming into a community event with food and drink and a real carnival atmosphere

2023 ... a new story to be written on September 11, but how about this for now:

To date the Wigan 10k has raised more than £300,000 for Joining Jack helping to fund the promising research, clinical positions and clinical trials, which will change the future for ALL boys living Duchenne.

It has also raised thousands of pounds more for so many local and national charities, and has seen more than 22,000 runners cross the finish line – a fantastic effort from everyone involved!
