## **7th SEPTEMBER 2025**

### **Information for runners**

Dear runner,

Thank you for registering to take part in this year's thumping 13th Wigan 10k. As part of our ongoing attempts to move towards a paperless event, we have created a Digital Event Guide to download. This Digital Racepack includes:

- A map of both race routes, Wigan 10k & Wigan Family Mile (these may be subject to slight change before the race)**
- A map detailing car parking. There is also ample on-street parking available.**
- Information from our organising charity <https://joiningjack.org/>**
- Information from our principal sponsor HW Moon Toyota Wigan**

You will receive your official Racepack including your Runner Number, timing chip, a copy of the route and a bag label in the post from August 21st.

Please remember to bring your runner number with attached timing chip (with the information on the back filled in) and bag label with you to the event, along with safety pins to fasten your number to your front.

As long as you have your Runner Number and timing chip, you do not have to sign in anywhere – you can just turn up, follow the signs to the start line and get ready to run!

NB/ If you sign up after 9am on Tuesday, September 2nd you will need to pick up your racepack from the Joining Jack Information Desk in the bandstand area of Mesnes Park, open from 8am.

Due to the continuing building works taking place in the town centre, this year's races will once again start and finish at in MESNES PARK at the following times:

**Wigan 10k 10am**  
**Wigan Family Mile 12.30pm**

A special bag drop area will be available at the Bandstand Area in the Mesnes Park for all runners to leave their belongings if they wish to do so.

Please encourage your family and friends to come along to cheer you on and soak up the unique atmosphere of the Wigan 10k. We will have a range of food and drink outlets available in the Bandstand Area of the park selling a range of refreshments.

All runners will receive a finishers' bag with lots of goodies and the always brilliant 10k bling, this year's features a lovely nod to our organising charity Joining Jack who we are looking forward to celebrating raising £1/2million for at this year's event.

Please note that there will be road closures in place on the route itself from 8.30am on the day, so be sure to plan accordingly if this is likely to affect your journey.

If you need any more information about the race, or tips on training for the event, our website [www.wigan10k.co.uk](http://www.wigan10k.co.uk) features all the latest news and a FAQs section which will answer any queries. This will be updated regularly, so please take a look.

We will also be sending out updates via email, so please keep an eye on your junk folder to make sure these don't accidentally end up in there. If you would like to contact someone about the race, you can email us on [info@wigan10k.co.uk](mailto:info@wigan10k.co.uk) and we will respond during office hours.
