INFO FOR RUNNERS

Dear runner,

Thank you for registering to take part in this year's fabulous 14th Wigan 10k. As part of our ongoing attempts to move towards a paperless event, we have created a Digital Event Guide to download.

This Digital Racepack includes:

- A map of both race routes, Wigan 10k & Wigan Family Mile (these may be subject to slight change before the race)**
- A map detailing car parking. There is also ample on-street parking available.**
- Information from our organising charity <https://joiningjack.org/>**
- Information from our principal sponsor HW Moon Toyota Wigan**

You will receive your official Racepack including your Runner Number, timing chip, a copy of the route and a bag label in the post from August 20th.

Please remember to bring your runner number with attached timing chip (with the information on the back filled in) and bag label with you to the event, along with safety pins to fasten your number to your front.

As long as you have your Runner Number with attached timing chip, you do not have to sign in anywhere – you can just turn up, follow the signs to the start line and get ready to run!

PLEASE NOTE: If you sign up after 9am on Monday, August 10, you will need to pick up your racepack on Race Day from the Joining Jack Information Desk in the bandstand area of Mesnes Park, open from 8am.

PLEASE ALSO NOTE: The Joining Jack Information Desk will be incredibly busy on the morning of the race and there will be queues at pick up, please ensure you give yourself plenty of time.

Due to the continuing building works taking place in the town centre, this year's races will once again start and finish at in MESNES PARK at the following times:

WIGAN 10k - 10am
WIGAN FAMILY MILE - 12.30pm

This year's HW Moon Toyota Wigan 10k '26 for Joining Jack will have a **BRAND NEW BAG DROP!**

This will be situated at the Lodge Building at the Main Entrance to Mesnes Park.

It will be staffed by our JJ Army from the Volunteer Cadets and access is at the **BACK OF THE LODGE ONLY.**

It will be open from 9am until 12.15pm and only our JJ army will be allowed to enter the building - you must handover and collect your bag at the entrance. Please form an orderly queue and be patient, this is a brand new and much improved location for our Bag Drop due to the growing demands of our event.

Just follow the signs ...

Please encourage your family and friends to come along to cheer you on and soak up the unique atmosphere of the Wigan 10k. We will have a range of food and drink outlets available in the Bandstand Area of the park selling a range of refreshments.

Both Wigan Bus Station and the two train stations are only a few minutes' walk from the start line - you can see both on the map of the town centre car parks which we have provided. Please note that there will be road closures in place on the route itself from 8.30am on the day, so be sure to plan accordingly if this is likely to affect your journey.

If you need any more information about the race, or tips on training for the event, our website www.wigan10k.co.uk features all the latest news and a FAQs section which will answer any queries. This will be updated regularly, so please take a look.

We will also be sending out updates via email, so please keep an eye on your junk folder to make sure these don't accidentally end up in there. If you would like to contact someone about the race, you can email us on info@wigan10k.co.uk and we will respond during office hours.

You can also keep in touch through our event social media accounts:
